Christ who came as a human person,
but trancended his existence.

He was the living example of
serving a holy being.
named God, or the Lord Supreme.

He came as a soft person,
And did not defend himself from hardship.
He did not judge his usurpers.
He did not came for his own sake.

He teached his wisdom without cost or price.

His discipels learned to have abundant fishery.
A man after asking him received money to pay taxes.

He gave bread to the thousands,
He walked on water.

He said: who believes in me will get my support.
A support not answering natural laws.

A community around christ, experiences his benefit.

You can pray to him, talk to him,
Ask for your wishes, your needs.
Or just be baptized as a symbol of entering
his kingdom.
